

Danish Daxiomatic becomes part of Fellowmind

ODENSE(DK)/BARNEVELD (NL), 10 December 2020 – Daxiomatic, a leading Microsoft Dynamics 365 partner in Denmark, joins Fellowmind. With the addition of Daxiomatic, Fellowmind strengthens its service offering to match client demands regarding their finance and operations processes in the Danish market. Daxiomatic will complement Fellowmind’s broad portfolio to service its clients with additional service offerings like modern work, customer engagement and cloud transformation.

The Daxiomatic team enters alongside Fellowmind’s other business unit in Denmark, ProActive. With the capabilities of the two teams, Fellowmind is now able to offer an integrated approach to the customer’s digital transformation journey.

“This step is a unique opportunity to sustain the future of our company and to take our clients to the next level.” explains Jesper Refning, CEO of Daxiomatic. “With our quality awareness, our claim to excellent implementation and our unbroken quest to make all our clients happy, we are convinced that we can make a significant contribution to a company that has pledged to change the industry by always keeping people at heart. The similarities in culture and the Fellowmind vision of creating meaningful connections convinced us to become part of the Fellowmind family. I am very proud of what we have created together, and I am looking forward to our next steps with all of Fellowmind.”

Emiel Putman, CEO of Fellowmind: “With the addition of Daxiomatic’s Finance and Operations capabilities to our services portfolio, we are now able to bring a holistic offering to support our Danish customers in their digital transformation journey. We have been impressed by the achievements of the team, especially their purpose and their unique organizational structure. We are confident that the similarities we share in having people at heart will shape a great future together.”

Max Sejbaek, Regional Director Denmark at Fellowmind: “As founder of ProActive, I have already experienced the benefits of being part of a larger platform and being able to build better solutions with the help of a wide base of specialists. Daxiomatic feels like a perfect fit in terms of our shared people centric approach, values and high standards and I can’t wait to start working together on a local level.”

After the acquisition, Fellowmind employs 1,600 employees across more than 35 offices in six European countries. From this group, 335 Fellows are now working across five Danish cities. The acquisition is part of Fellowmind’s growth strategy in partnership with FSN Capital V* to become the European leader in the Microsoft Business Applications, Cloud Infrastructure, Data & Analytics and Modern Workplace landscape.

* FSN Capital GP V Limited acting in its capacity as general partner for and on behalf of each of FSN Capital V L.P., FSN Capital V (B) L.P. and FSN Capital V Invest L.P.

About Fellowmind

Fellowmind sees connections between people at the core of a digital future. In their vision, technology is the enabler of meaningful connections. They believe it's about making digital interactions feel more human, intuitive, and more personal. And that, thanks to automation, people can spend less time working on repetitive and manual tasks. So they can use digital technology to create time and space to have more valuable and meaningful connections. Fellowmind was founded in 2005 and has grown into a company with offices across Germany, The Netherlands, Poland, Denmark, Sweden and Finland. Fellowmind has 1600 employees and a total turnover of 210 million euro. Read more: <http://www.fellowmindcompany.com>

About Daxiomatic

Daxiomatic was founded in 2010 to create an alternative to the existing ERP market, which at the time was more about quantity than quality. The driving force behind this has been the four core values - Competence, Quality, Commitment and Humility - which support Daxiomatic's mission and ensure that we always stay on the right track in relation to our customers and business. Our commitment to establishing security in the industry and providing real and tangible value to our customers is what drives the mission: To make all Dynamics 365 Finance and Operations customers happy. Daxiomatic therefore measures our results in the success rate of the projects - the economy must be sustainable, but the true currency is client value. Today, Daxiomatic has 65 colleagues in Denmark (Odense, Roskilde and Skanderborg) and now also works with BI and CRM. Read more: www.daxiomatic.dk
